### ***Melissa Bishop, Olympian***

Melissa is a 3x Olympian in the 800m in track and field. A native of eastern Ontario, Melissa attended the University of Windsor and most of her success has come from her late coach, head coach of the University track team for over 20 years, Dennis Fairall. After winning Gold at the Pan American Games in 2015, she went on to the World Championships and won the silver medal in the final, breaking a 14-year-old Canadian record. The following year in her second Olympic Games at Rio 2016, she lowered her own national record again but finished a heartbreaking fourth. Melissa broke the Canadian record again in 2017 and it still stands today at 1min 57seconds. After giving birth to her first daughter in 2018, Melissa came back for her third Olympic Games in 2020 in Tokyo. Now Melissa is working on returning to sport after their second daughter arrived in the summer of 2022.
