Al Chud

Alan Chudnovsky is a specialist in design and management as well as the development of golf courses, resorts, residential and recreational communities, spas, as well as related infrastructure. Presently Alan is assisting a large multi-disciplinary North American Developer with zoning and permitting of a 3,000 acre property in Florida for Resort and Multiple Mixed Use Resort Development.

Another recent project was the development and Management of Absolute Endurance Training Therapy and Spa in Toronto Canada. This leading edge project capitalized on the recent trend to Health and Wellness lifestyle and was an overwhelming success.

Alan was the Development Director for The Coppinwood Golf Club, a Tom Fazio Design in the Greater Toronto Area. Alan was also retained by the Oakdale Golf & Country Club to act as their Professional Consultant & Project Manager in developing a 5-year master redevelopment and strategic plan for the club.

Valerie Hamilton

As the Executive Director of Muskoka Tourism, the official destination marketing organization for Muskoka, Val Hamilton passionately shapes the brand to position Muskoka as the must-experience destination in Ontario. In her role, Val oversees domestic and international campaigns, manages public relations, cultivates partnerships, and handles media relations. With a profound affection for Muskoka developed over 15 years in the region. Prior to joining Muskoka, she held marketing roles at Horseshoe Resort and Muskoka Brewery. Her innovative strategies have significantly elevated the organization's marketing impact, evidenced by consistent year-over-year increases in reach.
