

We are a supplier and manufacturer of high quality, 20 gauge, marine grade crystal clear vinyl curtains for use as dividers in golf carts, gators and other maintenance vehicles requiring separation between people. Our curtain is universal 40" X 40" size, reinforced top and bottom with Sunbrella canvas and commercial grade Velcro strips making it very simple and easy to install and remove. Self adhesive Velcro is attached to the cart/vehicle. This material is crystal clear, does not inhibit visibility and it's UV, temperature and mold resistant and easy to clean and disinfect. The product does not yellow or become brittle. It is proven to last through multiple seasons in the boating industry. Our curtain is designed for dual purpose as a windshield. Just rotate 90' and add adhesive Velcro on front pillars. We are a local company (Aylmer, Ontario) so can easily deliver within Ontario. Logos and advertising can be added for additional cost. \$59.95 each or call for bulk pricing.

Thank you for your time, please feel free to reach out to me if you have any questions.
