

## About Crimson Ridge and the position

This is an excellent opportunity to join our team and contribute year round to our golf and winter activity operations. Crimson Ridge is a year round golf and winter activity destination. Boasting a spectacular collection of natural Northern Ontario landscape. Waterfalls, creeks, numerous elevation changes, mature hardwoods and incredible views and vistas await on the scenic par 72 layout. This design has been expertly crafted by Kevin Holmes, and incorporates natural features with generous and playable tree-lined fairways, large, gently-contoured greens and strategically-placed bunkers that create a true but fair test of golf for all ability levels.

Winter activities include fat biking, snowshoeing, and skating. Winter golf takes place indoors in our brand new Pro Shop (opened in March 2020) and large retail space with a Foresight QCquad simulator. Crimson Ridge has a full membership, while offering public play and hosts a number of charity golf events annually. This position is an excellent learning opportunity for all PGA of Canada members and it's truly and exciting time to join our team! If you have any questions or would like to know more about Crimson Ridge, life in Sault Ste. Marie or the position please contact Travis Spiess, Director of Operations - [travis@crimsonridgegolf.com](mailto:travis@crimsonridgegolf.com). We look forward to helping make your transition to Sault Ste. Marie an easy one and providing a very enjoyable work environment.
