

Player of the Year Series

The season started at Nobleton Lakes Golf Club with the [Ontario Zone Championship](#). We would like to thank our sponsors, TaylorMade and Adidas for their ongoing support. At Nobleton Lakes, we saw Victor Ciesielski (Galt Country Club) start off our year by winning the Zone Championship, finishing at 70, 6-Under. Congratulations, Vic! Thank you to Jon Mozes, Stefan Kerr and the Nobleton Lakes team for your next-level hospitality.

We then headed down to St. Thomas Golf and Country Club for the [Fall Classic](#) on September 2nd and 3rd. At St. Thomas, David Sheman (Emerald Hills Golf Club) came out firing on all cylinders, posting a score of 67 on round 1, and a score of 68 on round 2. Finishing at a total of 9-Under, David's victory at the Fall Classic would end up being the start to a memorable season for him, to say the least. We'd like to thank Head Professional Mike Long of St. Thomas Golf & C.C. for hosting as well as starting our players off the tee.

Player of the Year Series

Cambridge Golf Club was the venue for our [Senior Zone Championship](#). Thank you to Tri-Cities Chapter Chair, Adam Tobin for starting our players on the tee. In the 60+ division, Dan Clark (GOLFTEC Markham) posted a score of 71, 1-under to win the division. Congratulations, Dan! In the open division, Danny King (The Performance Academy at Magna) put together an impressive two rounds - posting scores of 69 and 70 to finish at a total of 5-under, and being crowned champion. Danny won the 2019 Senior Zone Championship last year, also at Cambridge. Congratulations, Danny on back-to-back Senior Championships! We'd like to thank Chris Miranda and Carla Munch-Miranda of Cambridge G.C. for another successful year of hosting and your ongoing support.

On September 15th, Wyndance Golf Club hosted the [2020 Women's Championship](#). The wind was howling all day, making for some of the toughest conditions our members faced all year. Despite the high winds, Jennifer Jaszek put together a clutch performance - finishing at 78 on the day with a four-stroke lead over second place to win the tournament. Congratulations Jennifer on your hard-earned victory! We'd like to thank Wyndance's Head of Golf Operations and PGA of Ontario Director, Hendrick van der Geld, for starting our players and for his hospitality throughout the day.

Next, we headed just up the road from the PGA of Ontario office to Upper Unionville Golf Club on September 21st & 22nd, for our [2020 Assistants' Championship](#). A familiar face topped the leaderboard at the end of round 2, with David Sheman earning his second victory of the season. David posted an impressive 69, 2-under on day one and then followed that performance with an incredible 65, 6-under to be crowned the victor. This was not the last we would be seeing the two-time winner, however. Congratulations again, David! Thank you to PGA of Ontario Director, Sarah Boyce for starting our players on round 1. We would also like to thank Alex Scott, the Head Professional at Upper Unionville Golf Club for your support and for starting our players on round 2.

The [2020 Player of the Year Championship](#) was held at Legends on the Niagara, from September 28th - 29th. Thank you to PGA of Ontario Directors, Donovan Fraser and Craig Cupido for starting our players. This year we saw Jake McNulty (Oshawa Golf and Curling Club) catch fire, shooting 70, 2-under on both days to finish the tournament at 4-under. McNulty's victory was capped off by a beautiful bunker shot on 18, leaving a short putt to save par and eclipsing David Sheman, who finished in second place at 3-Under. Congratulations Jake on your great play, and thank you to Mike Purnell of Legends on Niagara for your hospitality!

Player of the Year Series

Our [Match Play Championship](#) took place on October 8th, 2020 at Beacon Hall Golf Club where the Breenie Cup standings all hinged on just one final match: the semi-final contest between David Sheman and Victor Ciesielski. The other semi-final saw Gordon Burns take on Matt Peavoy. Gordon Burns defeated Matt Peavoy 1 Up, and after 20 holes David Sheman made his way to the finals after taking down Victor Ciesielski. Burns and Sheman faced off, but it was Sheman who would be the victor. He defeated Burns 1 up to win the Match Play Championship, his third victory of the season. This victory also gave David enough points to top the Breenie Cup Leaderboard, and be crowned the 2020 Player of the Year. Congratulations David, on an incredible season we won't soon forget. We'd like to thank Stephanie Lam of Beacon Hall Golf Club for her hospitality and support.
