

Team Series

Our first Team Series event this year was the [Pro Pro](#), held at Rattlesnake Point Golf Club on October 13th, 2020. We'd like to thank our sponsor, G&G Golf Company and their representatives: Wendy Shackelton, Jaime Bryant, Jason Nadeau and Anthony Galloro. They handed out Travis Mathew hats with a custom PGA of Ontario logo and also started our players on the tee. We'd also like to thank Craig Cupido, Head of Golf Operations at Rattlesnake Point for hosting, and ensuring our event was top-notch. It was a packed field, with 40 teams of two filling out the tee sheet. In the end, G.W. King (The Georgian Bay Club) and Terry O'Brien (Cedar Links Golf Centre) came out on top, finishing the day at an outstanding 10-under to be crowned this year's Pro Pro Team Series champions. Congratulations, gentlemen!

This year's [Fall Scramble](#) was back at Glencairn Golf Club with the latest date on record. Players experienced some of the harshest conditions all year (very appropriate for a course modeled to be a Scottish Links), with rain and wind keeping up all day. Unfortunately, as Canadian golfers know, in late October the days are much shorter. With the cloud coverage, darkness set in quickly leaving the last group unable to complete the 18th hole. This led to play being suspended, and the tournament was converted to a 17-hole event.

This led to a tie for first place and a splitting of the purse - with both teams finishing the day at an impressive 55, 12-under in some of the worst weather we've seen all season. The team of Brian McCann (Centennial Park Golf Centre), David Banks (David Banks Simply Golf Academy) and John Cochrane (John E.S. Cochrane Golf Schools) and the team of Warren Thomas (Cobble Beach Golf Links), Ryan McBride (Cobble Beach Golf Links) and Alan McLean (Whitewater Golf Club) are your 2020 Fall Scramble Champions! We would be remiss if we didn't thank PGA of Canada CEO Kevin Thistle for starting our players at our last playing event of 2020. Thank you, Kevin!
