

Job Posting – Teaching Professional

Location – Muskoka Highlands Golf Links, Bracebridge, Ontario

Every great career starts with a triangle for success – The Opportunity, The Training, The Drive

At Muskoka Highlands, we have launched many golf careers for professionals and superintendents. We believe that we have the perfect environment for the right person who is well trained and has the drive to be successful. We provide the Opportunity and the Mentoring to mold you for your next step whatever and whenever that might be.

The Opportunity

- Unlimited teaching of lessons with generous split of revenues to you.
- Summer Camps – every week for 3 days (Tuesday – Thursday) with up to 8 students – again – a generous split of revenues
- Shop Time – where you can hone your relationship skills as well as those needed to work with a front-line staff
 - o Ordering of goods for sale
 - o Marketing and merchandising those goods
- Marketing – working with the ownership team and a leading edge marketing firm to develop market approaches to sell across the various revenue streams at the course
 - o Golf
 - o Range
 - o FootGolf
 - o Lawn Bowling
 - o Weddings
 - o Parties

At Muskoka Highlands, we learn from mistakes – which means we will try things you might think about but would be reluctant to suggest at other clubs. There is no “tried that before and it didn’t work”. Rather, we prefer – “yes let’s look at this and see how we can make this version work”.

You can learn more about our course online, and most importantly, you can chat with Denver Dafoe (a recent grad of your program) to get the unfiltered version of how things happen here.

Why is he leaving? He is ready for the next step in his career and we are helping him find the right one. We will do the same thing for you.

Call any time to discuss.
