

A red-tinted background image showing a golf club head in the upper left corner and several golf balls scattered across the middle. The scene is set on a green, textured surface.

NEW

MEMBERSHIP CATEGORIES

A white, hand-drawn style arrow pointing to the right, positioned below the text.

OUR GOAL

By introducing these new membership categories, we aim to build on the foundation the association has built and modernize the membership structure. Aligning job titles from the golf industry with the PGA of Canada's Membership Categories will lead to a more inclusive approach, allow members to better utilize the brand, and provide the association with better data.

** Apprentice Professionals & Class "A" Life Professional cannot change their membership type.*
