

PURSE PAYOUT POLICY

CREATED MAY 2025

The PGA of Canada has decided to implement a purse payout policy to ensure consistency across championships and to help our members plan accordingly. All PGA of Canada championships, excluding the PGA Women's Championship of Canada, will follow the purse payout structure as outlined below.

Number of Players Paid Out

The purse for the main division of all PGA of Canada championships will pay out 37% - 46% of the field, to a maximum of 60 players. A full breakdown of players paid out based on field size can be found below. The final field size will be based on the number of players at the time of registration closing.

| Players in Main Division of Championship Field | Players Paid Out |
|--|--|
| 43 or less | At the discretion of the PGA of Canada |
| 44 – 53 | 20 |
| 54 – 64 | 25 |
| 65 – 76 | 30 |
| 77 – 87 | 35 |
| 88 – 98 | 40 |
| 99 – 109 | 45 |
| 110 – 120 | 50 |
| 121 – 131 | 55 |
| 132+ | 60 |

Championships with Multiple Divisions

Posted purse totals will be split between all divisions in each championship at the discretion of the PGA of Canada. The number of players paid out and purse breakdown for all alternate divisions (Super Seniors, Inter-Zone, etc.) will be determined on an individual basis at the discretion of the PGA of Canada. The main division for each championship will follow the breakdown below.

Purse Breakdowns

Final purse breakdowns for the main division of each championship will be based on the chart below. The final payout amount for each position is subject to an adjustment of up to \$10.

All purse breakdowns will be posted on the Tournament Information Page within one week of registration closing. If less than 20 players will be paid out, the breakdown will be at the discretion of the PGA of Canada.
