

# TRANSPORTATION REQUEST FORM

UPDATED APRIL 2026

**IMPORTANT: This request form MUST be submitted to the PGA of Canada at least SEVEN (7) DAYS before the respective competition.**

As a general rule, with the exception of the PGA Seniors' and Head Professional Championships of Canada, players and caddies must walk at all times during a stipulated round and are prohibited from using automotive transportation (including any form of mechanical transportation powered by the player). This rule also applies during PGA of Canada qualifying rounds except in the case of a shuttle that the Committee has provided by Local Rule. Players and caddies may use pull carts unless the club/course has a policy prohibiting their use. However, the PGA of Canada recognizes that there are circumstances where exceptions will be made. Exceptions include those situations where anyone (including a caddie) seeking a golf cart due to a serious permanent disability has been granted permission to use a cart. Granting of the use of a cart can only be made by the PGA of Canada. Temporary disabilities do not qualify under this exception and therefore use of a cart will not be granted by the PGA of Canada.

In each instance where an applicant is submitting a request for a golf cart, **both the relevant PGA of Canada Championship entry application and the transportation request form (including the required medical documentation as specified on the transportation request form) must be submitted to the PGA of Canada by the player (not a caddie) at least SEVEN (7) DAYS before the respective competition.** All information submitted will be treated on a strictly confidential basis. Such information should be submitted by email to the PGA of Canada to the attention of the Championships department:

Matt Mueller – [matt.m@pgaofcanada.com](mailto:matt.m@pgaofcanada.com)  
*Senior Manager, Championships & Events*

The PGA of Canada will not evaluate requests without all required documentation as part of a single submission.

Any player wishing to receive permission for their caddie to use a golf cart must submit a transportation request form and the required medical documentation at the same time the player submits their entry application. **The PGA of Canada will not accept requests directly from caddies.**

Applicants seeking to use a golf cart in more than one PGA of Canada Championship during a given Championship season must submit each such request individually prior to the date of the relevant Championship but need only include the required medical information with the first request, provided no change to the relevant medical condition has occurred in the intervening time. The PGA of Canada will evaluate the medical information previously submitted on the person's behalf during the same Championship year, provided it is current as of the relevant submission and was otherwise submitted in accordance with the procedures outlined above.

The completed application will be reviewed by the following individuals:

- PGA of Canada Executive Team
- Director of Operations
- Senior Manager, Championships & Events
- Consulting M.D.
