

COACH

Guidelines

This award is based on a coaching professional's overall performance; unusual, innovative, and unique coaching programs initiated or implemented; published articles; and the exceptional golfers the professional has coached.

- Recognized as an exceptional coach among members of the PGA of Québec
- Initiation or implementation of unique, innovative, and specialized training programs
- Publication of articles, books, magazines, etc.

Criteria

- Candidates must be certified under the National Coach Certification Program (New Competitor Coach or Developing Competitor Coach);
- Overall performance as a coach at their club, in their zone, and at the national level
