Health and Prosperity is my motivation. My brother in law sent me an email asking for a donation for MObember, I immediately joined his team at CIBC and we raised \$5200.00. I'm extremely thrilled that friends and family were willing to donate to support Prostate Cancer Research. I really did not have to do much. I had to go "baby face" for two days and then the handle bars started taking shape. My Son did not recognize me without a go-tee, nor did he yesterday as I was Santa at the Christmas daycare party. Anyway, a great fundraiser that I was proud to take part in. Thank You
