

PGA of Australia

Dear Members

On behalf of the PGA of Australia and the broader golfing industry, thank you so much for your generous contributions to the Australian Golf Industry Flood Disaster Relief Fund. We have had the most unusual weather in Australia over the last 6-8 months; we have been in drought for 10 years prior to 2010 and now we are underwater in many parts of the country.

Your support of the industry is greatly appreciated and I can guarantee that the funds will be used in the best interest of the clubs affected.

I think it's a wonderful gesture on behalf of the PGA World Alliance and demonstrates what can be achieved when the PGA's of the world work together. Once again your contribution is most appreciated, please convey out thanks to your respective Memberships.

Kind Regards,

Yours sincerely,
